Work in progress:

Directory - have been mailed out and the remainder are in the process of being mailed as per email from Dave.

Discussion regarding community listings on directories, that all RM's and Towns are to be paid up members in order to have phone numbers listed. The Town of Strasbourg will have a letter sent asking if they would like to be refunded their membership due to this oversight.

Discussed having businesses removed from web site that did not renew memberships, have correct email address for businesses for receiving LMVBA information, and updating the phone number on the web site for Versa Industrial Inc. Leila to look after these changes.

Show n Shine - Beth Krugal is doing an amazing job handing out car show flyers and from her response is that we should expect a great turn out with new entries coming this year. Businesses are to get their door prizes into Kirby as soon as possible.

Posters were distributed to be put out, Kirby to share the poster on our Facebook page. More dash plaques have been ordered.

Trudy talked about selling the 50/50 and our portion going to the new bus project in the community.

Motion by Don second by Kirby to take out the radio ad with CHAB, they will be broadcasting live from Strasbourg on Thursday August 10 with the car show as the main feature event. The community is one of eight entered to win \$5000 for a community project and the project for Strasbourg is the new bus for the Pioneer Home.

Kirby brought a copy of the new tourist display cut out and membership approved the display. Once it has been completed, a stand will need to be built and the display will then be set up at the museum by the old heritage house.

Melanie adjourned the meeting.
